Free of the following common allergens: eggs, fish, shellfish, tree nuts, peanuts, wheat/gluten, corn, and yeast. Contains no artificial colors, flavors, or preservatives.

Suggested Use: 1 to 2 scoops daily mixed with water or other beverage.

Whey Slim™ Protein Isolate with L-Carnitine is a complete protein of high biological value containing all the essential amino acids. The added 400 mg of L-Carnitine per serving supports fat breakdown and energy production. Whey Slim™ is excellent for those seeking to gain muscle mass, support healthy weight loss, or simply have a fast nutritious protein meal replacement. †
